There is no fee or registration required for students/job seekers. Begin checking the web site a few days before the event to see when prospective employers have scheduled live chats. There will also be message boards for those who are not able to participate during live chat. Once the job fair has begun you simply log-in to browse the “booths” and upload your resumes.

Employers who wish to occupy a booth should go to [www.aaee.org](http://www.aaee.org) for registration requirements.
